

## Support SHFM's Hunger Games to Benefit Hunger Awareness

SHFM has selected **Uproot Colorado**, a local organization based in the Denver area as the beneficiary of this year's conference hunger awareness initiative. Uproot is dedicated to increasing the nutrition security of Coloradans by harvesting and redistributing surplus nutrient-dense foods while supporting the resilience of farmers.

We hope you will consider supporting this important cause. In appreciation of your support, your company will be recognized as a Friend of Hunger Games with other corporate contributors on the SHFM conference website as well as in onsite materials at SHFM's Hunger Games. Corporate donations will be combined with individual contributions and presented to the charitable recipient at the SHFM National Conference.
