

## Support SHFM's Hunger Games to Benefit Hunger Awareness

SHFM has selected **Blue Watermelon Project**, a local organization based in the Tucson area as the beneficiary of this year's conference hunger awareness initiative. Blue Watermelon works with students, parents, educators, and the community to increase access to fresh foods for students and assist schools in rethinking relationships with food.

We hope you will consider supporting this important cause. In appreciation of your support, your company will be recognized as a Friend of Hunger Games with other corporate contributors on the SHFM conference website as well as in onsite materials at SHFM's Hunger Games. Corporate donations will be combined with individual contributions and presented to the charitable recipient at the SHFM National Conference.
