

Support SHFM's Hunger Games to Benefit Hunger Awareness

SHFM has selected **Baltimore Hunger Project**, a local organization based in the Baltimore area as the beneficiary of this year's conference hunger awareness initiative. Baltimore Hunger Project is dedicated to eliminating the growing problem of weekend childhood hunger by feeding bodies and minds. BHP works with schools to bridge the gap between Friday and Monday by consistently providing weekend food packages to children identified as food insecure, in a compassionate and dignified manner.

We hope you will consider supporting this important cause. In appreciation of your support, your company will be recognized as a Friend of Hunger Games with other corporate contributors on the SHFM conference website as well as in onsite materials at SHFM's Hunger Games. Corporate donations will be combined with individual contributions and presented to the charitable recipient at the SHFM National Conference.
