

Are you an Educator in the hospitality and foodservice industry?

SHFM is the only association focused on Workplace Hospitality and Amenities in the Foodservice Industry. We provide collaboration with and access to the leaders in workplace amenities and foodservice, along with original research, including comprehensive operational studies. Our SHFM Foundation also provides Fellowship, Scholarship and Course Funding opportunities for colleges and universities across the country who engage with our Foundation either through Student Chapters or affiliation.

The SHFM Difference:

Society for Hospitality and Foodservice Management is the only association focused on Workplace Hospitality and Amenities in the Foodservice Industry.

The SHFM Advantage:

We provide collaboration with and access to the leaders in workplace amenities and foodservice, and original research, including comprehensive operational studies. Want to give back and pay it forward? When joining SHFM, you have the opportunity to inspire and educate the next generation of leaders through the SHFM Foundation. Through the Foundation's programs, select members are invited to participate in mentorship programs for our student and military members. SHFM and the SHFM Foundation provide opportunities for Educators to enhance the student experience, as well as the opportunity for faculty and students to have exposure to the Workplace Experience industry. This network allows your students access to the knowledge and experience of others to learn from their shared knowledge.

- Over 50% of members are in a director or higher role within their company.
- Access to the experience and the industry for faculty and students.
- Live & virtual educational events on the hottest topics affecting the industry, as well as the ability to have faculty and students to broaden their professional network.
- Access to industry experts and suppliers for hospitality amenity solutions across technology, equipment, food and beverages, and more.
- Access to industry specific education and trends, including our special SHFM Industry Standards and Benchmark Comparisons.
