

## Support SHFM's Hunger Games to Benefit Hunger Awareness

SHFM has selected **Care for Real** a Chicago based organization as the beneficiary of this year's conference hunger awareness initiative. Care for Real is dedicated to addressing the increased need for food assistance, clothing, referrals, and additional services with compassion to improve the health and well-being of low-income residents to foster a stronger, healthier, equitable, and more stable community.

We hope you will consider sponsoring this important cause. In appreciation of your support, your company will be recognized as a Friend of Hunger Games with other corporate contributors on the SHFM conference website as well as in onsite materials at SHFM's Hunger Games. Corporate donations will be combined with individual contributions and presented to the charitable recipient at the SHFM National Conference.
